GCI	Voice/Text/Data

(Prepaid phones from WCC & GCI will work all others will not work; Data service is limited to 2G and is sporadic; Verizon, ACS, Sprint, T-Mobile phones will not work)

Internet Service:

Windy City Broadband (by Adak Eagle Enterprises)
No "free internet/Wi-Fi" is available on Adak.
(Internet service is extremely limited; streaming or other high-bandwidth applications will not work as intended)

Old Buildings:

All of the buildings on Adak are now owned either by private owners, City, State or United States Government. Though buildings may look to be abandoned does not necessarily mean it is. Not all entities have resources to renovate facilities and infrastructure to look new or updated or adequately secured. Shooting at or vandalizing is a serious crime in Adak and will be prosecuted to the fullest extent. If you are interested in visiting a site, please contact Aleut Real Estate or the City for more information. Some properties are completely off limits due to asbestos/lead exposure or are otherwise unsafe. Please respect all signs, new and old. Do not, under any circumstance, trespass on the airfield or airport property.

Hunting:

Do not shoot towards town, generally North or East from most areas you may hunt from. Vehicles of any type are expressly prohibited from entering the Wildlife Refuge and trails are not maintained in any form. Potholes on trails can be up to 2 feet deep. ALL animal carcasses are to be disposed outside the city limits. Intentionally leaving or dumping animal carcasses within the city limits is a violation of the Municipal Code and is a finable offense. The City does not accept animal carcasses at the landfill or in dumpsters as a measure to prohibit feeding eagles and protection against rat infestation.

Garbage:

Your lodging facility has paid for garbage service which entitles you to use the municipal dumpsters across from the Eagle Bay subdivision (generally the large dumpsters on the pad off of Mechanics Way). Do not throw garbage on top of dumpsters, they are enclosed. ALL other dumpsters are for private use only. Follow the restrictions posted on the dumpsters. Failure to comply can result in hazards to our Public Works employees and can subject you to fines. Please take your garbage out regularly and do not leave out for any length of time, otherwise you will entice rats in your housing unit, causing significant damage and discomfort.

Travel:

Check in as early as possible when leaving Adak, preferably around 1pm-2pm to ensure all baggage is screened prior to the arrival of the flight. Cut off for baggage acceptance is 40 minutes prior to flight departure, which may be earlier than expected if the inbound flight arrives early or the outbound flight is not full. ALL outgoing baggage is hand screened by TSA. Check with Alaska Airlines staff/TSA on prohibited items. Failure to comply with TSA regulations will delay the process for all passengers. DO not attempt to carry ammunition or knives onboard. Pre-check is not available in Adak.
